EXHIBITORS
NORTH CAROLINA PUBLIC HEALTH ASSOCIATION
1970 ANNUAL MEETING

Exhibits are displayed as an educational service to our members to renew projection of public health standards, and to present new ideas and developments. Members should visit each exhibit booth to express our gratitude to our exhibitors for their support of our meeting.

Exhibit attendance prizes will be awarded by drawing at the final session, Friday morning, October 16, 1970. You do not have to be present to win; however, a member of your department must be present to claim the prize if you win. Provisions cannot be made for delivery of unclaimed prizes.

To be eligible for the principal prize (color T. V.), your exhibit listing pamphlet must be stamped or validated by a representative of each exhibitor. All other prizes are available by drawing to any active member of the North Carolina Public Health Association.

To participate in prize awards, fill in your name, address and department in the space provided for herein. Present this pamphlet to the verification desk in the hotel lobby for confirmation of eligibility requirements. Clip your identification coupon from this pamphlet and place it in the drawing box.
